THE END OF COTTON

It was said - Cotton is the most comfortable fabric. It was, but not any more. Polyester has evolved as the undisputed King of all Fabrics.

POLYESTER + COTTON MIX IS DEAD

We have mastered the art of Polyester Uniform T-Shirts.

MARS 200 - 200 GSM
100% Polyester T-Shirt
is Softer than Cotton,
Lasts Longer than
Polyester + Cotton Mix
& comes with a bundle of
cool, awesome features.

LIGHT WEIGHT

“Heavier Fabrics Last Long”
is a misconception.

240, 280, 300 GSM
t-shirts are very heavy on your
body. Why punish yourself?

The myth - “The heavier the
fabric, The longer it lasts”
has been shattered to death
by our 200 GSM
LIGHT WEIGHT MARS 200
100% Polyester T-Shirt.

MARS 200 lasts more longer
than any heavier GSM fabric.

FABRIC PROPERTIES

ULTRA SOFT FEEL

A soft feel for greater comfort, enhanced wear life and protective performance.

PLAY DRY - MOISTURE MANAGEMENT SYSTEM

Moisture management system are fabrics with the ability to pull moisture away from the skin using tiny, built-in capillaries. Moisture is drawn to the exterior of the fabric, which makes it easier to evaporate.

SUPER WICK

Wicking fabrics are modern technical fabrics which draw moisture away from the body. Wicking polyester has a special cross-section and a large surface area, which picks up moisture and carries it away from your body, spreading it out, to evaporate easily on the outside of the fabric. So you stay cool and dry.

ANTI MICROBIAL

The effectiveness of an antimicrobial fabric lies in its ability to fend off microorganisms, and its ability to help prolong the life of a textile. This captures and kills odor-causing bacteria that comes from your body.

ANTI STATIC

Preventing the build-up of static electricity or reducing its effects, improving the wearer's comfort.

UV PROTECTION

- UPF 50+: Ultraviolet Protection Factor a UPF 50 fabric blocks 98 percent of the sun's harmful UV rays and allows two percent (1/50th) to penetrate, thus reducing your exposure risk significantly.

COOL RUSH

You stay cool through out the day.

LONG LIFE

100% Polyester T-Shirts lasts long than any other fabric.
Looks new every time you wear.
